Re: South Cavalcade Street Site,
Houston, Texas
(Koppers former Coilingsworth
Street Plant)

Dear Mr. Cochran:

This will acknowledge receipt of your letter of October 29, 1984 concerning the subject site. Koppers is now considering the development of a Work Plan and participation in the RI/FS for the subject site. We will notify you well within the 30 days allotted of our willingness.

Koppers, like the EPA, desires good faith negotiations to resolve any problems presented by this site. We are willing to meet with you and other potentially responsible parties at a mutually agreeable time and place.

Very truly yours,

Thomas L. Sivak
